

Dear Community Business Leader:

It is our pleasure to invite you and your company to sponsor the 12<sup>th</sup> Annual Bayview Community Car Show scheduled for Saturday July 8, 2017; **Cool Bayview Nights**. This local Community Car Show is celebrating our 12th year and is organized by volunteers on behalf of several local non-profit organizations.

*Why is a car show like “Cool Bayview Nights” important?*

The event provides a fun, family-friendly opportunity for the community to gather together and share an enjoyable hobby. Our focus is to serve the entire community of car care enthusiasts and the community with a full afternoon of enlightenment, and Entertainment.

- Admission to view the cars is always free to the community
- Vehicle entry fees are affordable, with trophies in many categories.
- “Best in Show” is voted on by the show attendees

*What’s in it for me?*

Your Tax-deductible donation and Sponsorship shows your support of the Whidbey Island community, and also supports our efforts to provide family-friendly and affordable events. You have the opportunity to advertise your services directly to hundreds of potential customers through our publicity, your company name on a trophy, and announcements on the day of the show.

*How can I help?*

Our most immediate need is for “Trophy Sponsors”. We also need “gift certificates” and donated goods to be used as Raffle prizes. Profits go toward several local non-profits including Safe Ride Home.
